| /analyze/getTracksDetails |
| /analyze/voteTrack |
| /analyze/hasVotedTrack((|
| /analyze/admin/addTracks |

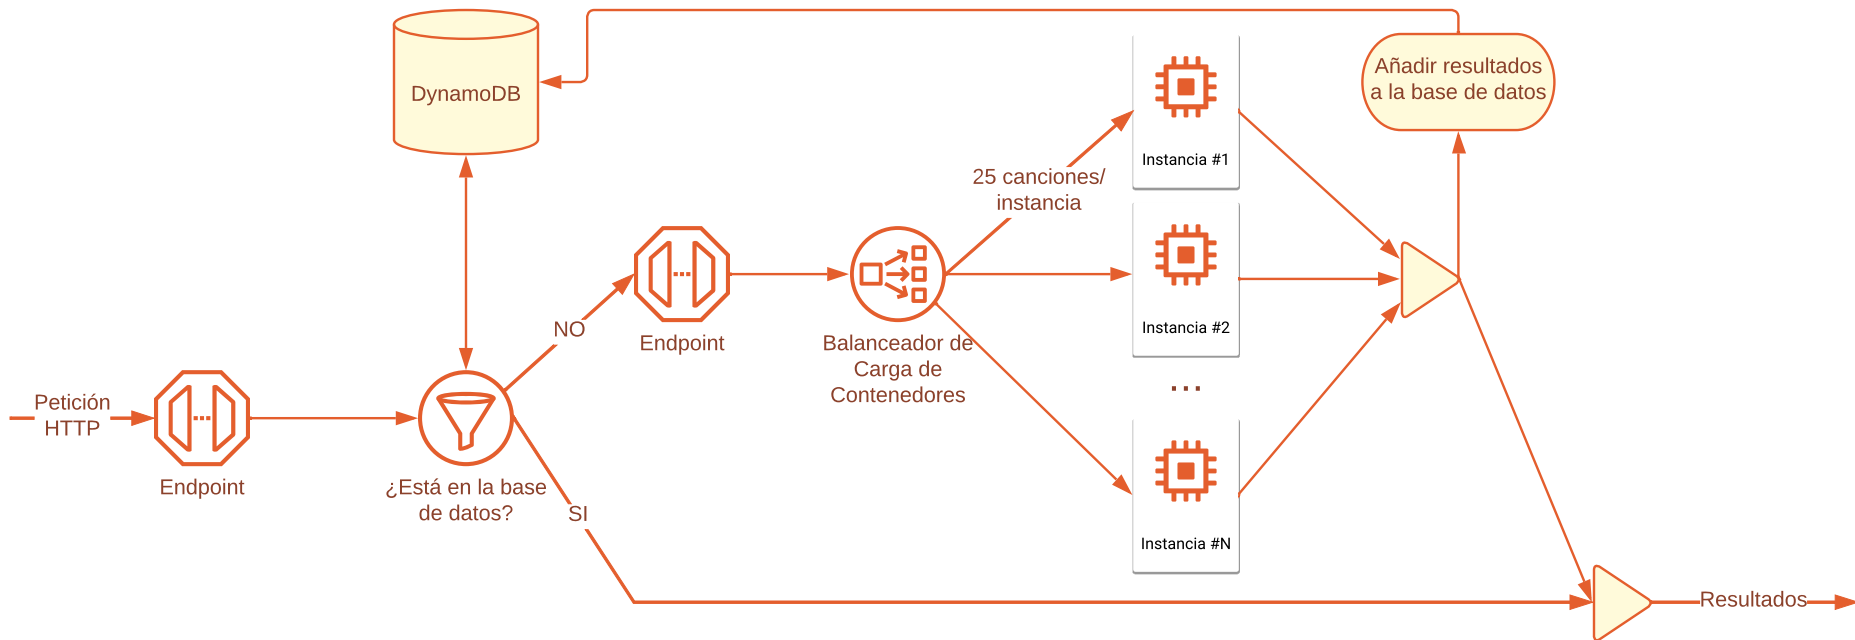

JWT

- + spotifyRefreshToken: str
- + spotifyAuthToken: str
- + isPremium: bool
- + spotifyId: str
- + isAdmin: bool

No se admiten peticiones concurrentes debido al elevado coste de recursos que tiene cada grupo de canciones.
Por ello se ha implementado una cola de espera
